Scarborough Renaissance Festival® Cancels 2020 Season

Dallas/Fort Worth, TX (April 3, 2020): Scarborough Renaissance Festival® was truly hopeful that the COVID-19 situation would subside in time to be able to open with the adjusted 6-week schedule previously announced. Due to the continually evolving COVID-19 situation and the heightened recommendations from the CDC and local officials, Scarborough Renaissance Festival® announces today the cancellation of its 2020 season - the only time in its 40-year history.

This decision is necessary to ensure the health and safety of staff, employees, participants, patrons and community.

The entire Scarborough Renaissance Festival® organization is extremely disappointed in the cancellation of the 2020 season but plans to be back in 2021 bigger and better than ever to celebrate its 40th season and hopes to see everyone then!

Information regarding previously purchased tickets for admission, Group events, Special Events (including Wine & Beer Tasting Events, Mother's Day Brunch, Royal Ale Festival) will be coming in the next few days. The information will be disseminated as quickly as possible via direct communication with ticket purchasers, the Scarborough Renaissance Festival® website, newsletters and social media.
